**Re: Campbell, et al. v. City of New York, No. 1:24-cv-02575-JHR**  
**Request to Seal Document #25 Per SDNY ECF Rule 21.7**

Dear Judge Rearden:

We represent the plaintiffs in the above-mentioned case. On May 3, 2024, we filed Document 25, a “Consent to Join Collective Action” form for an opt-in plaintiff. The document as filed contains three pages. Page one contains the opt-in plaintiff’s dated signature. Pages two and three of Document 25 were filed in error and contain information that may be sensitive or confidential.

On May 6, 2024, we discovered the error described above. Per SDNY ECF Rule 21.7, we promptly notified the ECF Help Desk about the issue. They confirmed that Document 25 has been placed under temporary seal. We now write to request, also pursuant to SDNY ECF Rule 21.7, that Document 25 be formally sealed by the Court. We will then correct the filing by filing only page one of the document. We have conferred with opposing counsel about this issue. They consented to our request to seal Document 25.

We appreciate Your Honor's understanding and assistance with this matter.

Respectfully submitted,
